A) Bascom-Lathrop utility project
Package 2 started early September 2019
Project Phase I to last through December 2020
Lathrop Drive closed to through-traffic Lot 115 and some western Lot 5 sections accessible from Charter Street and main section of Lot 5 accessible from Park Street. Some pedestrian walkways are closed. Follow detour signs on site.
**See Inset 2 for more details

B) Linden Drive parking facility construction
until September 2021
Part of Lot 62 permanently closed. Project includes underground utility work, which has closed several sidewalk areas. Colwood Drive (new road) opened Dec. 7, 2020.
**See Inset 3 for more details

C) Mills Street closure
Two-way traffic to open early 2021
Mills Street closed between University Avenue and Johnson Street for Chemistry addition related work. Detour using Brooks, Charter, or Park Street.
The west University Ave. crosswalk at Mills closed until project completed. East side of Mills sidewalk maintained, west sidewalk closed.
**See Inset 1 for more details

D) COVID-19 testing sites
Porter Boat House curbside and pedestrian site opened October 6.
21 N. Park Street curbside service started October 23 in circle drive.
Open November 12 until January 7. Nielsen Tennis Stadium serving as a community testing site (open to public). part of Lot 82 reserved for those coming to be tested. No curbside testing Kohl Center hosts UW student and employee testing as well, parking available in Lot 91.

E) Babcock Hall addition
until early 2022
Much of Lot 40 east closed by Babcock Hall. A temporary driveway available west of the Stock Pavilion; the “Farm Place” driveway is closed. Two-way traffic allowed on Babcock Drive from Linden Drive to east Lot 40.

F) Chemistry addition project
until 2022 Chemistry addition completed Lot 55 closed until 2022 (and of Chemistry construction). The sidewalk east of the Chemistry Building is closed; pedestrians should use the west side sidewalk. One University Avenue lane closed from Brooks Street to Charter Street until the completion of the Chemistry addition project. Temporary bike lane and sidewalk area created above contraflow bike lane and south sidewalk.

G) Natatorium replacement
until Spring 2023
Lot 57 closed for GymNat replacement project. Bus stop on Observatory Drive to remain open.

H) Willow Creek pedestrian/bicycle bridge closed
Closed permanently, to be replaced.
Bridge closed permanently due to structural issues, will be replaced in the future.

** Updated January 4, 2021
Projects organized chronologically; project details may change due to weather or other factors.
City of Madison project information can be found at cityofmadison.com
Vehicle traffic impacts
• Mills Street between Johnson Street and University Avenue closed to two-way traffic until early 2021. Northbound vehicles can reach Conklin Place.
• A single lane of northbound traffic on Charter Street between Johnson Street and University Avenue is closed until the completion of the Chemistry addition project (spring 2022). Lot 55 closed during Chemistry project.

Transit impacts
• Mills Street between Johnson Street and University Avenue is closed. Routes 4, 13, 27, and 44 detour.

Pedestrian impacts
• West side north/southbound crosswalk along Mills Street near the Chemistry building is closed; detour to east crosswalk.

Bicycle impacts
• Mills Street between Johnson Street and University Avenue is closed to two-way traffic until early to mid-2021.

What’s coming
• No updates

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
Pedestrian impacts
Note: placement of fences and sidewalk closures for work may vary. Follow the detours as marked by signs on site.

- The main pedestrian paths between the Education Building and the Law Building are unavailable. Detour to the west toward the North and South Hall pedestrian path or use the pedestrian path along Observatory Drive.
- “Through” pedestrian access for Bascom Hill should detour to paths along Observatory Drive or south to the Lathrop Drive area to avoid closed areas—refer to marked detours on site.
- Pedestrian bridge connecting Bascom Hill and the Humanities Building will remain open throughout work. Crosswalk connecting Bascom Hill and State Street Mall also available.

Vehicle traffic impacts
- No through-traffic on Lathrop Drive. Lot 115 (contains UW Disabled permit stalls) and western section fo Lot 5 are only available from Charter Street. Primary section of Lot 5 is only accessible from Park Street.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
What’s coming

• Lot 67 (Linden Drive Garage) tenatively open to the public in *[NEW]* early to mid January 2021.

Vehicle traffic impacts

• Lot 57 closed until early 2023 (completion of Gym-Nat replacement).

Transit impacts

• Temporary eastbound bus stop located outside of area currently closed for parking garage project.

Bicycle impacts

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

Pedestrian impacts

• Partial closure of the southern sidewalk along Observatory Drive. Detour to northern sidewalk.
• Northern sidewalk closed along Linden Drive near the Linden Drive garage site—from Farm Place to the entrance to the Vet Med building.
• ADA pathway created that connects the Natatorium to Lot 62 to the Vet Med building.

Note: Willow Creek bike-ped bridge remains closed due to structural integrity concerns.

See transportation.wisc.edu for updates on traffic impacts due to construction. Dates subject to change.
